

Adubble Lite version – Press Release

POLAND – July 17, 2009 - EeryLab. announce the release of **Adubble Lite** on iPhone and iPod Touch. Just in time for the summer holiday season and free of charge. If you like games like Trism or Bejeweled then you'll really appreciate this game and the uniqueness of it. The Lite version contains first 8 levels from full version!

The full game features:

- 60 levels of varying difficulty
- 7 types of special elements (stars, mines, locks, lasers, switchers, bombs and stones)
- animated graphics
- ambient background music
- save/resume option (after a phone call or pressing quit)
- shake device for random level selection or to change the background
- hours of fun.

Adubble is suitable for all ages, and utilizes the iPhone and iPod touch touch controls in a very natural way — making it a win for all skill and experience levels.
